OBJECTIVE

I'm passionate about problem-solving and eager to keep learning new technologies. My goal is to work on meaningful projects and grow in a dynamic environment. I look forward to opportunities where I can use my skills to make a difference and learn from others in the tech field.

INTERNSHIPS & TRAINING

• AchieversIT Trainings

Nov 2021 - Mar 2022

Web Developer Trainee

- Completed an intensive web development program at AchieverFit Institute, focusing on modern front-end and dynamic application development techniques.
- Gained expertise in HTML5, CSS3, Bootstrap, JavaScript (ES6+), and React.js, building responsive and user-friendly applications.
- Designed and implemented web applications, emphasizing clean code practices, performance optimization, and seamless user experiences.

EDUCATION

• Indira Institute Of Technology And Sciences College

B-Tech in Mechanical Engineering Completed in 2021

Markapur, Andhra Pradesh

- Percentage : 62 %

• Veerabadra Jr College

Intermediate Completed in 2015

Rayachoti, Andhra Pradesh

- Percentage : 64 %

PROJECTS

• Developer Portfolio

Technologies Used : [HTML, CSS, JavaScript]

- Developed a personal portfolio website to effectively showcase my skills, projects, and certifications, providing a clear and comprehensive overview of my professional achievements.
- Built with modern web technologies, featuring a responsive design that enhances user experience and accessibility across a wide range of devices.

• Image Search App

Technologies Used : [HTML, CSS, JavaScript, Unsplash API]

- Developed a dynamic web application for searching and displaying high-resolution images using the Unsplash API. Implemented responsive design to enhance usability across various devices, including mobile and tablets.
- Created user-friendly elements, ensuring easy image search, viewing, and direct download options. Applied JavaScript to manage API requests and dynamically update the user interface.
